

We have the pleasure to invite you to the kick-off event of Tirana Inc, a multi-university start-up incubation program that will open its doors for ambitious student teams with a great business idea.

Tirana Inc. is an initiative of Albanian universities, established in the framework of EU for Innovation program, implemented by GIZ and Preneurz.Amsterdam, and supported by the City of Tirana.

Our university accepted the invitation and it's a great delight to be among the 5 founding partners of this initiative whose mission is, in three years to be the number one destination for ambitious Albanian student entrepreneurs to kickstart their company.

The official kick off will be an online event live streamed and opened and for all the stakeholders with the main participation of rectors\deans of the founding universities, representatives from EU delegation in Albania, EU for innovation and experts' team from Preneurz.Amsterdam

The event will take place on the online platform ZOOM on **29 th April 2021, 17:00.**
